

49 YEARS FIGHTING FOR HOOSIER CONSUMERS

WHO WE ARE

CAC has saved ratepayers more than \$10 billion in excess utility charges since 1974.

CAC advocates to:

- Improve quality of life/place
- Ensure affordable access to essential human services
- Preserve democracy
- Conserve natural resources
- Protect the environment

WHAT WE DO

In order to protect consumers in Indiana, CAC's activities include performing research, carrying out public education campaigns, organizing citizens, creating public awareness, lobbying, intervening in utility cases before the Indiana Utility Regulatory Commission, and litigating when necessary.

OUR SOLUTION

Our focus is to advocate for the consumer-friendly outcome at each opportunity.
